ANNEXURE –II

CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND OUTGO

Particulars of Energy Conservation, Technology Absorption and Foreign Exchange Earnings and Outgo required under the Companies (Accounts) Rules, 2014 are as under:

A. CONSERVATION OF ENERGY**(a) The Steps taken or impact on Conservation of Energy and the steps taken by the Company for utilizing alternate sources of Energy**

A Comprehensive approach towards energy conservation has been followed over the years, with adoption of the best available solutions in use globally in all key areas related to manufacturing and administrative operations.

We regularly train employees and monitor various safety measures to ensure a safe working environment.

The Company is making continuous efforts on ongoing basis for energy conservation by adopting innovative measures to reduce wastage and optimise consumption.

The Company has been emphasizing on optimization of energy consumption in every possible area in its units at periodic interval and after careful analysis and planning measures like latest technologies are being inducted to minimize the consumption of energy by optimum utilization of energy consuming equipments. The Company is partly using uninterrupted gas based power supply from Maruti Suzuki India Limited for its Gurugram Plant.

(b) The Capital Investment (if any) on Energy conservation equipment

The Company has taken many steps towards energy conservation measures through process optimization.

(c) Impact of the measures at (a) & (b) above for reduction of energy consumption and consequent impact on the cost of production

It has resulted in lowering of energy consumption and also reduced breakdowns of machines & equipment.

B. TECHNOLOGY ABSORPTION**1. RESEARCH AND DEVELOPMENT (R & D)****(a) Specific Area in which R & D carried out by the company**

The Company has separate in-house R & D Centre at Gurugram, recognized by Ministry of Science & Technology (Department of Scientific and Industrial Research). The Company has been carrying out in-house Research & Development activities in the area of developing new technologies to enhance comfort by adding new features for the end customer and maintaining leadership. The various steps taken by the company have resulted in strengthening in-house technical capabilities.

(b) Benefits Derived

During the year the company has developed new components having additional features for comfort and safety for various new upcoming models for OEM's customers. This continuous development of new engineering designs and technology has helped the company in delivering reliable and durable products to OEM Customers. During the year under review, the following products has been developed :

- Low current handle Bar Switches for Honda
- Key Set for Mahindra & Mahindra
- Key Set for Hyundai

- Switches (Butt Type) for Hero
- Key set, HVAC Control Unit, Side Door latch & Hood latch for Maruti Suzuki

(c) Future Plan of Action

- Innovate future technologies / products (EV/ HEV).
- Develop smart lock system
- Focus on export of products to increase Foreign Exchange earnings.
- Undertake R & D innovation in other diverse segments.
- Reduction of product cost

2. TECHNOLOGY ABSORPTION, ADAPTATION AND INNOVATION

(a) Efforts, in brief, made towards Technology Absorption, Adaptation and Innovation

The Company has a separate in-house R & D Centre at Gurugram which is recognized by Ministry of Science & Technology (Department of Scientific and Industrial research). We are continuously doing innovation in our products & adding new features. Also we have applied for design & patent registration.

(b) Benefits derived as a result of the above efforts

In order to maintain our market leadership, we have patented our new technology and regularly innovating so as to provide new technology in our products to various OEM in Automobile sector. Automated Process developed for assembly of critical parts and making the product defect free.

(c) Technology Imported

We are using our own technology for all the OEM's except for global models of SMC /MSIL. But for some specific requirements we are also importing technical know-how and technology, as and when required. This is an on-going process and also involves visits by employees of both companies to each other's production site for discussions and training

(d) Expenditure on Research & Development

The expenditure incurred towards in house R&D activities during the year are as under:

FORM NO. MR-3
SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED ON 31ST MARCH, 2021

[Pursuant to section 204(1) of the Companies Act, 2013 read with Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014

To,

The Members

Jay Ushin Limited

GI-48 G T Karnal Road, Industrial Area

Delhi- 110033

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **JAY USHIN LIMITED** (hereinafter called the Company"). The Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts / statutory compliances and expressing our opinion thereon.

Based on our verification of the JAY USHIN LIMITED's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the company has, during the audit period covering the financial year ended on March 31, 2021 complied with the statutory provisions listed hereunder and also that the Company has proper Board - Processes and Compliance – Mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:-

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2021 according to the provisions of :-

1. The Companies Act, 2013 ("the Act") and Rules made thereunder as amended/modified;
2. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the Rules made thereunder;
3. The Depositories Act, 1996 and the Regulations and Bye - laws framed thereunder;
4. The Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
5. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') :-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018; **(Not applicable to the Company during the audit period);**
 - (d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations 2014, **(Not applicable to the Company during the audit period);**
 - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008. **(Not applicable to the Company during the audit period);**
 - (f) The Securities and Exchange Board of India (Registrar to an Issue and Share Transfer Agents) Regulations, 1993 regarding Companies Act and dealing with client; **(Not applicable as the Company is not registered as Registrar and Transfer Agent during the audit period);**
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; **(Not applicable to the Company during the audit period) ;**
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018. **(Not applicable to the Company during the audit period).** and

- (i) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.
6. We further report that we have relied on the representation made by the Company and its officers for systems and mechanism formed by the company for compliance under other applicable laws/rules/regulations to the company.
7. We further report that the compliances by the Company of applicable financial laws, like direct and indirect tax laws, has not been reviewed in this Audit since the same have been subject to review by statutory financial audit and other designated professionals.
8. We have also examined the compliances with the applicable clauses to the following:-
- (i) Secretarial Standards with regard to Meeting of Board of Directors (SS-1) and General Meetings (SS-2) issued by The Institute of Company Secretaries of India;
9. We further report that:-
- The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors, Independent Directors and Woman Director. Adequate notice is given to all Directors to schedule the Board /committee Meetings. The agenda along with detailed notes were sent generally seven days in advance. A system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting. All the decisions of the Board and Committees were carried with requisite majority.
- We further report that based on review of compliance mechanism established by the Company we are of the opinion that there are adequate systems and processes in place in the Company which is commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.
10. We further report that during the audit period ended on 31st March, 2021, the Company had following events bearing on the company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards etc, which are not in the nature of qualification:
- i) Minebea Mitsumi Inc. ('Acquirer') together with U-shin Ltd, as the person acting in concert with the acquirer have given an open offer to the public shareholders for acquisition of up to 1,004,770 fully paid up equity shares of face value of Rs. 10 each, representing 26% of the fully diluted voting equity share capital of the Company at a price of Rs. 589.94 per equity share. The above offer was closed on August 13, 2020, Acquirer has acquire 1920 Equity share (1720 Equity shares in demat form and 200 equity shares in physical form) comprising of 0.05% of the Company paid-up share capital. Post offer holding of Minebea Mitsumi Inc. ('Acquirer') together with U-Shin Lid. is 10,06,565 Equity Shares of the Company representing 26.05% of the Company paid-up share capital.
- ii) The remuneration paid to Mr. Ashwani Minda, Managing Director of the Company for the year ended March 31, 2020 and March 31, 2021 was Rs.60.08 Lakhs and Rs. 51.60 Lakhs respectively for which the Company is seeking approval of shareholders by way of special resolution in the ensuing Annual General Meeting .

MANAGEMENT DISCUSSION & ANALYSIS**MACRO ECONOMIC OVERVIEW**

There was a significant deceleration in the economic growth in the year 2020-21 due to the impact of the pandemic. Due to rigorous and prolonged lockdowns in the entire country, India's GDP showed a sharpest fall ever which was much higher than expected. For the April-June 2020 quarter, there was a major contraction in GDP of 24.4% which is unprecedented in India. It was followed by 7.3% contraction in second quarter July- Sept 2020.

The economy started showing signs of revival in the third quarter with growth in GDP pegged at 0.4% which was followed by 1.6% growth in the fourth quarter. Overall the Financial Year 2020-21 saw a negative growth of 7.3% in the GDP figures.

The manufacturing sector suffered significantly during the lockdowns, but was quick to pick up due to pent up demand and changing customer preferences. Agriculture sector was a bright spot in the otherwise lack-luster performance of various sectors. Service sectors especially the hospitality and travel suffered for a much longer period.

Financial Year 2021-22 seemed to be on a track of high growth as restrictions were eased in India on the face of very low instances of COVID -19 infections. However, second wave of pandemic in April and May left the country and much of the industry battered and bruised. Thankfully, the wave ebbed out showing a sharp downturn and the economic activities could be re-started soon and without much losses. Also, the government moved in with a plan to vaccinate the entire adult population by December 2021. As per latest estimates, we are looking forward to a GDP growth of 7.5% in the current year.

AUTOMOBILE INDUSTRY

The growth in the domestic automobile market is dependent on the growth of the economy and consequent increase in income levels. All segments of the vehicle market had registered negative growth during 2019-20. In 2020-21, all segments, except Tractor segment, registered further negative growth, due to ongoing COVID-19 pandemic which further aggravated the general slowdown in the economy being witnessed since 2019-20. Production of Passenger Vehicles declined by 11% and of two wheelers by 13% over last year in 2020-21. Production of Medium & Heavy Duty Commercial Vehicles declined by 22% and in case of Light Commercial/Small Commercial Vehicles, the production declined by 4%. The Exports market has also been adversely impacted in 2020-21.

While the country has rapidly opened up the economy following the second wave, the sales in the First Quarter of Financial Year 2021-22 were impacted significantly. However, with rapid pace of vaccination and with realization that the economy and COVID-19 will have to learn to live together leading to rapid re-opening of the lockdowns and the initiatives taken by the Government to kick-start the economy, the company is hopeful that the sales will remain buoyant during the rest of the year, as the country is hoping that there will be no significant third wave, if any.

COMPANY REVIEW OF THE INDUSTRIAL SEGMENT

The company, using its innovation and in-house R & D expertise, continues to focus on new product development to address import substitution under various 'Make in India' initiatives. With favourable regulatory developments, importance to indigenization, the company is well placed to cater various industrial segment.

OPPORTUNITIES

The Government has given several initiative to lift the economy from its slumber. The latent demand for personal mobility and public transport remains strong. Going forward, strong rural demand based on normal monsoon and availability of finance will lead to buoyant demand. In medium to long-term, growth prospects remain positive, and the automotive component industry is also expected to grow in line with the growth in automobile production. The Government is also promoting the idea of e-mobility by raising taxes on conventional vehicles, reducing the gap between the prices of Diesel and Petrol fuels, restricting life of diesel vehicles, and incentivising electric vehicles.

CHALLENGES

The biggest challenge for the company during this pandemic time is to sustain the operations keeping in mind the safety of its employees and stakeholders as paramount. Recovery of economy after COVID-19 and managing liquidity are the other key challenges ahead. Global supply chain are also affected by the shortage of semi-conductors. These are leading to fluctuations in the demand and product mix of the OEMs. The manufacturing operation of the company are fairly flexible to cater to these changing needs of the market. Faced with problem of migration of labour, the company strengthened its training facilities for its workforce continuously to manage volume fluctuations.

FINANCIAL & OPERATIONAL PERFORMANCE

The net revenue from operations for the financial year ended March 31, 2021 is Rs. 57,657.57 Lakhs as against Rs. 66,300.42 Lakhs in the previous financial year. However, the Net Profit before tax is Rs. 55.63 Lakhs as compared to Rs.171.96 Lakhs in the previous financial year. Earnings before Interest, Depreciation and Taxes (EBIDTA) is Rs. 3,339.99 lakhs as compared to Rs. 3,848.05 lakhs during the preceding year. Going forward, the management is focused on further improvements in operations performance and material cost control.

Imports would continue to be a challenge for the Company in view of volatility in foreign exchanges and also fluctuations in geo-political environment. On the other side, this would be an opportunity for us to push localisation in India and become self-sufficient to meet our demand. The Company has continued its efforts to improve the level of localisation of imported parts. Various activities were initiated along with active participation of suppliers to improve efficiency of operations. This has contributed greatly in reduction of material cost and exposure to foreign exchange fluctuation.

INTERNAL CONTROLS AND THEIR ADEQUACY

In the opinion of the Management, the Company has adequate internal audit and control systems to ensure that all transactions are authorized, recorded and reported correctly. An independent internal audit function is an important element of the Company's internal control systems. This is supplemented with an extensive internal audit programme and periodic review by the management and the Audit Committee.

The Corporate Governance practices instituted by the Company are discussed in detail in the chapter on Corporate Governance which forms part of this Annual Report.

RISKS AND CONCERNS

The risks attributed to the company relate to continuous supply of raw materials and components from its suppliers, ensuring continuous operations in all of its plants on the face of natural calamities and adverse manpower situations. Appropriate procedures for risk assessment, minimization, and optimization have been laid down by the Company with systems in place for mitigating risk arising from external or internal factors. The Company takes adequate insurance coverage and adopt a Foreign Exchange Risk Management Policy to mitigate risks owing to external factors or those beyond the Company's control as part of its cost control measures.

Huge economic impact of COVID-19, increase in price of automobiles due to new regulations for environment and safety are affecting demand. Demand from customers for price reduction, increase in raw material/ fuel prices and implication of pandemic on supply chain are the major concerns for the Company.

HUMAN RESOURCES

We continue to focus on our human resource philosophy wherein, engaging the resources for continuous increase in productivity is one of the drivers. The Company always strives to promote a safe, healthy and happy workplace. The Company is promoting the development of relevant workmen skills by setting up DOJO training center at our works. The training is provided in simulated production conditions to equip workmen to do a high-quality job on the production lines. The company reviews its manpower and their performance on a regular basis and conducts regular training programmes for capability building.

The manpower strength on the rolls of the company stood at 418 as on March 31, 2021. The industrial relations have been peaceful and cordial throughout the year.

Committees of the Board

Audit Committee

The Audit Committee functions in accordance with Section 177 of the Act, Regulation 18 of the SEBI Listing Regulations. The terms of reference of the Audit Committee, inter alia, includes:

1. Oversight of the Company's financial reporting process and the disclosure of its financial information to ensure that the financial statements are correct, sufficient and credible.
2. Recommending the appointment, remuneration and terms of appointment of the auditors of the Company.
3. Approval of payment to statutory auditors for any other services rendered by the statutory auditors.
4. Reviewing, with the management, the annual financial statements and auditors' report before submission to the Board for approval.
5. Reviewing, with the management, the quarterly financial statements before submission to the Board for approval.
6. Review and monitor the auditors' independence and performance and effectiveness of the audit process.
7. Approval of transactions of the Company with related parties and any subsequent modification of such transactions.
8. Scrutiny of inter-corporate loans and investments.

9. Evaluation of internal financial controls and risk evaluation and mitigation systems.
10. Reviewing with the management the performance of statutory and internal auditors and adequacy of the internal control systems.
11. Reviewing the adequacy of the internal audit function including the structure of the internal audit department, staffing and seniority of the official heading the department, reporting structure, coverage and frequency of internal audit.
12. Discussions with internal auditors of any significant findings and follow up there on.
13. Discussion with statutory auditors before the audit commences, about the nature and scope of audit as well as post audit discussion to ascertain and resolve any areas of concern.
14. Review the functioning of the whistle blower mechanism.
15. Approval of appointment of the Chief Financial Officer after assessing the qualifications, experience, background, etc. of the candidate.
16. Carrying out any other function as is mentioned in the charter of the audit committee.

During the year under review, five (5) Meetings of the Audit Committee were held and the time gap between two Audit Committees was less than one hundred and twenty days. All members of the Audit Committee are Independent Non-Executive Directors and are eminent professionals and financially literate. The Chairman attended the last annual general meeting to answer shareholders' queries. The Statutory Auditors, Internal Auditors and Senior Executives of the Company are being invited to the meetings for discussions/deliberations. The Company Secretary of the Company acts as the Secretary to the Committee. The composition of the Audit Committee along with the details of the meetings held and attended by the members of the committee during the financial year 2020-21 are detailed below:

AUDITORS' CERTIFICATE REGARDING COMPLIANCE OF CONDITIONS OF CORPORATE GOVERNANCE

To

The Members of

JAY USHIN LIMITED

1. We S S Kothari Mehta & Company, Chartered Accountants, the Statutory Auditor of JAY USHIN LIMITED ("the Company") have examined the compliance of conditions of Corporate Governance by the Company, for the year ended on 31st March 2021, as stipulated in Regulations 17 to 27 and Clauses (b) to (i) of Regulation 46(2) and para C, D and E of Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('the Listing Regulations').

Managements' Responsibility

2. The compliance of conditions of Corporate Governance is the responsibility of the Management. This responsibility includes the design, implementation and maintenance of internal control and procedures to ensure the compliance with the conditions of the Corporate Governance stipulated in Listing Regulations.

Auditor's Responsibility

3. Our responsibility is limited to examining the procedures and implementation thereof, adopted by the Company for ensuring compliance with the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.
4. We have examined the books of account and other relevant records and documents maintained by the Company for the purposes of providing reasonable assurance on the compliance with Corporate Governance requirements by the Company.
5. We have carried out an examination of the relevant records of the Company in accordance with the Guidance Note on Certification of Corporate Governance issued by the Institute of the Chartered Accountants of India (the ICAI), to the extent relevant, the Standards on Auditing specified under Section 143(10) of the Companies Act 2013, in so far as applicable for the purpose of this certificate and as per the Guidance Note on Reports or Certificates for Special Purposes issued by the ICAI which requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.
6. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

Opinion

7. Based on our examination of the relevant records and according to the information and explanations provided to us and the representations provided by the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in Regulations 17 to 27 and clauses (b) to (i) of Regulation 46(2) and para C and D of Schedule V to the Listing Regulations during the year ended 31st March, 2021.
8. Further under Regulation 29(2) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 The BSE has imposed a fine of Rs. 10,000/- plus @18% GST of Rs. 1800/- vide email dated 14.10.2020 on account of delay of two days for submission of prior intimation of board meeting convened on 15.09.2020 for approval of unaudited financial accounts for the quarter ended 30.06.2020, the Company has requested BSE to waive off the penalty and Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 The BSE has imposed a fine of Rs. 80,000/- plus @18% GST of Rs. 14,400/- on account of financial result for the year/quarter ended 31.03.2020 not submitted in time. The Company informed to BSE that financial result for the year/quarter ended 31.03.2020

approved in the Board meeting convened on 30.06.2020 submitted to the BSE on same date within time.

9. We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

Restriction on use

10. The certificate is addressed and provided to the members of the Company solely for the purpose to enable the Company to comply with the requirement of the Listing Regulations, and it should not be used by any other person or for any other purpose. Accordingly, we do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom this certificate is shown or into whose hands it may come without our prior consent in writing.

CERTIFICATE BY CHIEF EXECUTIVE OFFICER (CEO) & CHIEF FINANCIAL OFFICER (CFO)

To

The Board of Directors
Jay Ushin Limited
GI-48 G T Karnal Road,
Industrial Area, Delhi -110033

We, the undersigned, in our respective capacities as Chief Executive Officer and Chief Financial Officer of Jay Ushin Limited (“the Company”), to the best of our knowledge and belief, certify that:

- a) We have reviewed the financial statements and the cash flow statement for the financial year ended March 31, 2021 and to the best of our knowledge and belief, we state that:
 - i) these statements do not contain any materially untrue statement or omit any material fact or contain any statements that might be misleading;
 - ii) these statements together present a true and fair view of the Company’s affairs and are in compliance with the existing accounting standards, applicable laws and regulations.
- b) We further state that to the best of our knowledge and belief, there are no transactions entered into by the Company during the year, which are fraudulent, illegal or violative of the Company’s code of conduct.
- c) We hereby declare that all the members of the Board of Directors and Management Committee have confirmed compliance with the Code of Conduct as adopted by the Company.
- d) We are responsible for establishing and maintaining internal controls and for evaluating the effectiveness of the same over the financial reporting of the Company and have disclosed to the Auditors and the Audit Committee, deficiencies in the design or operation of internal controls, if any, of which we are aware and the steps we have taken or propose to take to rectify these deficiencies.
- e) We have indicated, based on our most recent evaluation, wherever applicable, to the Auditors and Audit Committee:
 - i) Significant changes, if any, in the internal control over financial reporting during the year;
 - ii) Significant changes, if any, in the accounting policies made during the year and that the same has been disclosed in the notes to the financial statements; and
 - iii) Instances of significant fraud of which we have become aware and the involvement therein, if any, of the management or an employee having significant role in the Company’s internal control system over financial reporting.

INDEPENDENT AUDITOR'S REPORT**To The Members of Jay Ushin Limited****Report On the Standalone Financial Statements****Opinion**

We have audited the accompanying standalone financial statements of **JAY USHIN LIMITED** ('the Company'), which comprise the Balance Sheet as at 31 March, 2021, the Statement of Profit and Loss (including Other Comprehensive Loss), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the separate financial statements, including a summary of the significant accounting policies and other explanatory information (herein after referred to as "separate financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid separate financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the company as at 31 March, 2021, the Loss and total comprehensive loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Separate Financial Statements* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the separate financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to the Note no. 46 to the financial results, which describes the impact of COVID-19 pandemic on the Company's operations, carrying value of the assets and results as assessed by the management. The management of the company based on the assessment expects that there is no significant change in the carrying amount of the assets of the company and the carrying amount of these assets will be recovered. Our opinion is not modified in respect of this matter.

Key Audit matter

Key audit matters (KAM) are those matters that, in our professional judgment were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

Information Other than the Standalone Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report but does not include the standalone financial statements and our auditor's report thereon.

The Annual Report is expected to be made available to us after the date of issue of this audit report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the separate financial statements that give a true and fair view and are free from material misstatements, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these separate financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the separate financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the separate financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the separate financial statements, including the disclosures, and whether the separate financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the separate financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonable knowledgeable user of the separate financial statements may be influenced. We consider quantitative and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the separate financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ('the Order') issued by the Central Government of India in terms of section 143(11) of the Act, we give in "Annexure – A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. The Balance Sheet, Statement of Profit and Loss, Statement of Cash Flows and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - d. In our opinion, the aforesaid separate financial statements comply with the Ind AS specified under Section 133 of the Act read with relevant rules issued thereunder;
 - e. On the basis of written representations received from the directors as on 31 March, 2021, and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March, 2021, from being appointed as a director in terms of Section 164(2) of the Act;
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure - B";

g. Report on Other Legal and Regulatory Requirements

With respect to other matters to be included in the Auditor's Report in accordance with the requirements of Section 197 of the Act, as amended:

In our opinion & to the best of our information & according to explanation given to us the Company has paid remuneration to its Directors is in compliance of Section 197 read with Schedule V to the Act. However, remuneration of Rs.51.60 Lakhs paid to Managing Director is subject to the approval of the Shareholders as per the provisions under the Companies Act, 2013. (refer note 42(i) to the financial statements).

h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

- i) the Company has disclosed the impact of pending litigation on its financial position in its standalone financial statements. Refer Note No 41 to the standalone financial statements;
- ii) the Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
- iii) there has been no delay in transferring amounts, required to be transferred to the Investor Education and Protection Fund by the Company;

“ANNEXURE – A” TO THE INDEPENDENT AUDITOR’S REPORT TO THE MEMBERS OF JAY USHIN LIMITED

Referred to in paragraph 1 of report on other legal and regulatory requirement’s paragraph of our report on the financial statement of even date,

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The Company has physically verified these fixed assets as per its program of physical verification that covers every item of fixed assets over a period of three year in a phased manner and no material discrepancies were noticed on such verification.
- (c) According to the information and explanation given to us and based on available records of the Company, the lease deed of lands located at Bhagapura Industrial Estate, Gujarat and Rohtak has not yet been executed by the Company, however the possession had been taken.
- (ii) The physical verification of inventory has been conducted at reasonable intervals by the management and no material discrepancies were noticed on such physical verification.
- (iii) As per the information and explanation given to us and on the basis of our examination of the records, the Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013.
- (iv) The Company has not granted any loans or provided any guarantees or security or made any Investment to the parties covered under section 185 and 186 of the Companies Act, 2013.
- (v) The Company has not accepted any deposits from the public within the meaning of directives issued by the Reserve Bank of India and provisions of sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules framed thereunder.
- (vi) The Central Government has not prescribed the maintenance of cost records for the activities carried on by the Company during the year ended 31 March, 2021 under sub-section (1) of section 148 of the Companies Act, 2013, hence clause(vi) of paragraph 3 of the Order is not applicable to the Company.
- (vii) (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is generally regular in depositing undisputed statutory dues in respect of provident fund, investor education and protection fund, employees’ state insurance, income tax, customs duty, Goods and Services Tax, Cess and other material statutory dues as applicable with the appropriate authorities. Further, there were no undisputed amounts outstanding at year end for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us and the records of the Company examined by us, there are no dues of income tax, custom duty, Goods and Service Tax, Cess and other material statutory dues which have not been deposited on account of any dispute.
- (viii) According to the records of the Company examined by us and the information and explanations given to us, the Company has not defaulted in repayment of loans from bank and financial institutions. Further, the Company has not taken any loan from Government and dues to debenture holders.
- (ix) As per the information and explanation given to us and on the basis of our examination of the records, the company has not raised moneys by way of initial public offer or further public offer (including debt instruments) and term loans were applied for the purpose for which they were raised.
- (x) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, we have neither come across any instance of fraud by the company or on the Company by its officers or employees noticed or reported during the year, nor we have been informed of such case by the management.

- (xi) According to the best of our information & explanation given to us, the Company has paid remuneration to its Directors in compliance of Section 197 read with Schedule V to the Act. However, remuneration of Rs.51.60 Lakhs paid to Managing Director is subject to the approval of the Shareholders as per the provisions under the Companies Act, 2013. (refer note no 42(i) to financial statements).
- (xii) The company is not a Nidhi Company, therefore this clause is not applicable to the company.
- (xiii) As per the information and explanation given to us and on the basis of our examination of the records, the company has transacted with the related parties which are in compliance with section 177 and 188 of Companies Act, 2013 and the details have been disclosed in the standalone financial statements as required by the Indian Accounting Standard – 24 “Related Party Disclosures”. Refer Note No. 42 to the standalone financial statements.
- (xiv) The company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year.
- (xv) As per the information and explanations given to us and on the basis of our examination of the records, the company has not entered into any non-cash transactions with directors or persons connected with him.
- (xvi) The company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Therefore, this clause is not applicable to the company.

“ANNEXURE – B” TO THE INDEPENDENT AUDITOR’S REPORT TO THE MEMBERS OF JAY USHIN LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”).

We have audited the internal financial controls over financial reporting of **JAY USHIN LIMITED** (“the Company”) as at 31 March, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Board of Directors is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of

management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, based on records the Company has, in all material respects, an adequate internal financial controls over financial reporting and the internal controls over financial reporting are generally operating effectively as at 31 March, 2021 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Nature and purpose of reserves

Securities Premium Reserves

The Company can utilize the same for the purpose of buy back of shares or issue of bonus shares as decided by the management.

General Reserve

The general reserve is used from time to time to transfer profits from retained earnings for appropriation purposes. As the general reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income, items included in the general reserve will not reclassified subsequently to profit or loss.

Fair Value through Other Comprehensive Income Reserve

This represents the change in the fair value of investments.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021**1. General Information**

Jay Ushin Limited ("The Company") is a public limited company domiciled & incorporated in India and Listed on BSE Limited. The address of its registered office and principal place of business is GI 48, GT Karnal Road, Industrial Area, Delhi 110033. The principal activities of the Company are manufacturing, purchases and sale of components such as Lock and Key Sets, Switches, Heater Control Panels (HVAC) and Door Latches for automobiles.

The financial statements for the year ended March 31, 2021 were approved by the Board of Directors and authorised for issue on June 30, 2021.

2. Basis of preparation and presentation**2.1 Statement of Compliance**

The financial statements have been prepared as a going concern in accordance with Indian Accounting Standards (Ind AS) notified under the Section 133 of the Companies Act, 2013 ("the Act") read with the Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act.

2.2 Basis of measurement

The financial statements have been prepared on the historical cost convention on accrual basis except for certain financial instruments which are measured at fair value at the end of each reporting period, as explained in the accounting policies mentioned below. These financial statements are presented in Indian Rupee (INR), which is also the Company's functional currency.

All assets and liabilities have been classified as current or noncurrent according to the Company's operating cycle and other criteria set out in the Act. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as twelve months for the purpose of current non-current classification of assets and liabilities.

The principal accounting policies are set out below.

2.3 Going concern

The board of directors have considered the financial position of the Company as at March 31, 2021 and the projected cash flows and financial performance of the Company for at least twelve months from the date of approval of these financial statements as well as planned cost and cash improvement actions, and believe that the plan for sustained profitability remains on course.

The board of directors have taken actions to ensure that appropriate long-term cash resources are in place at the date of signing the accounts to fund the Company's operations.

2.4 Estimation of uncertainties relating to the global health pandemic from COVID-19

The Company has considered possible effects that may result from pandemic relating to COVID-19 on the carrying amount of property, plant and equipment, investments, inventories, receivables and other current assets. In developing the assumptions relating to the possible future uncertainties in the economic conditions due to pandemic, the Company, as at the date of approval of these financial statements has used internal and external sources of information. The Company has performed sensitivity analysis on the assumptions used and based on current estimates expects the carrying amount of these assets will be recovered. The impact of COVID-19 on the Company's financial statements may differ from that estimated as at the date of approval of these financial statements.

3. Significant Accounting Policies**3.1 Revenue Recognition**

Revenue is measured at the fair value of the consideration received or receivable. Amounts

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

disclosed as revenue are net of returns, discounts, sales incentives, goods & service tax and value added taxes.

The Company recognises revenue when the amount of revenue and its related cost can be reliably measured and it is probable that future economic benefits will flow to the entity and degree of managerial involvement associated with ownership or effective control have been met for each of the Company's activities as described below. The Company bases its estimates on historical results, taking into consideration the type of customer, the type of transactions and the specifics of each arrangement.

Sale of Goods

Revenue from sale of components is recognised at the point in time when control of the asset is transferred to the customer, generally on delivery of the equipment. The Company considers whether there are other promises in the contract that are separate performance obligations to which a portion of the transaction price needs to be allocated. In determining the transaction price for the sale of equipment, the Company considers the effects of variable consideration, the existence of significant financing components, non-cash consideration, and consideration payable to the customer (if any). Revenue also excludes taxes collected from customers.

Other Income

Dividend income from investments is recognised when the shareholders' right to receive payment has been established.

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.

3.2 Leasing

Effective April 1, 2019, the Company has adopted Ind AS 116 "Leases" and applied to all lease contracts existing on the date of initial application, using the modified retrospective method along with transition option to recognise right-of-use assets (ROU) at an amount equal to the lease liability.

Where the Company is the lessee

The Company's lease asset classes primarily consist of leasehold land and buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset. At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

The Company as a lessor

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease.

For operating leases, rental income is recognized on a straight line basis over the term of the relevant lease.

Effective from April 1, 2019, the Company adopted Ind AS 116 “Leases” and applied the standard to all lease contracts existing on April 1, 2019 using the modified retrospective method and has taken the cumulative adjustment to retained earnings, on the date of initial application. Consequently, the Company recorded the lease liability at the present value of the lease payments discounted at the incremental borrowing rate and the right of use asset at its carrying amount as if the standard had been applied since the commencement date of the lease, but discounted at the Company’s incremental borrowing rate at the date of initial application. Comparatives as at and for the year ended March 31, 2019 have not been retrospectively adjusted and therefore will continue to be reported under the accounting policies included as part of our Annual Report for year ended March 31, 2019.

3.3 Foreign currencies

In preparing the financial statements of the Company, transactions in currencies other than the company’s functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Exchange differences on monetary items are recognised in profit or loss in the period in which they arise.

3.4 Borrowing costs

Borrowing costs directly attributable to the’ acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

3.5 Employee benefits**Defined contribution plans**

A defined contribution plan is a post-employment benefit plan under which the company pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. Payments to defined contribution plans are recognised as an expense when employees have rendered service entitling them to the contributions.

Defined benefit plans

For defined benefit plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Re-measurement, comprising actuarial gains and losses and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Re-measurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to the Statement of profit and loss. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorised as follows:

- Service cost (including current service cost, past service cost, as well as gains and losses or curtailments and settlements);
- Net interest expense or income; and
- Re-measurement

The Company presents the first two components of defined benefit costs in the Statement of profit and loss in the line item Employee benefit expense.

The retirement benefit obligation recognised in the balance sheet represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plan or reductions in future contributions to the plans.

Short-term employee benefits

Liabilities recognised in respect of wages and salaries and other short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service and are expensed as the related services are provided.

Other long-term employee benefits

Liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date based on the actuarial valuation using the projected unit credit method carried out at the year-end. Re measurement gain or losses are recognised in the statement of profit and loss in the period in which they arise.

3.6 Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from profit before tax as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021**Deferred tax**

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Current and deferred tax for the year

Current and deferred tax are recognised in the statement of profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

Minimum Alternative Tax (MAT) payable in a year is charged to Statement of Profit and Loss as current tax. Minimum Alternative Tax credit is recognised as an asset only to the extent and when there is convincing evidence that the Company will pay normal income tax during the specified period. The said asset is created by way of a credit to the Statement of Profit and Loss and is shown as MAT Credit Entitlement. Such asset is reviewed at each balance sheet date and the carrying amount is written down to the extent there is no longer convincing evidence to the effect that the Company will pay normal tax during the specified period.

3.7 Property, plant and equipment

Property, plant and equipment (including furniture, fixtures, vehicles, etc.) held for use in the production or supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses, if any. Cost of acquisition is inclusive of freight, duties, taxes and other incidental expenses. Freehold land is not depreciated.

Properties in the course of construction for production, supply or administrative purposes are carried at cost, less any recognised impairment loss. Cost includes items directly attributable to the construction or acquisition of the item of property, plant and equipment, and, for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use. Depreciation of these assets, on the same basis as other property assets, commences when the assets are ready for their intended use.

Depreciation is recognised on the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the straight-line method. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

Depreciation is calculated using the straight line method on pro-rata basis from date when the asset is put to use. Estimated useful life of the assets are as follows which is based on technical evaluation of the useful lives of the asset:

Leasehold land	Over the lease period
Buildings	30 Years
Leasehold improvement	30 Years
Plant & Machinery and Dies	8 Years
Furniture & Fixtures	10 Years
Office Equipments	5 Years
Vehicles	8 Years
Temporary structure	3 Years
Computer	3 – 6 Years

Freehold land is in the nature of perpetual lease is not amortise.

All assets purchased during the year costing Rs. 5,000 or less are depreciated at the rate of 100%.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or derecognition of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and loss.

3.8 Intangible assets

Intangible assets acquired separately

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, and are recognised in the Statement of profit and loss when the asset is derecognised.

Useful lives of intangible assets

Intangible assets, comprising of software, expenditure on model fee, etc. incurred are amortised on a straight line method over a period of 3 & 6 years on utilisation basis. Technical Fee amortised over a period of 4 years.

3.9 Impairment of tangible and intangible assets

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Recoverable amount is the higher of fair value less costs of disposal and value in use.

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss. When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in statement of profit or loss.

3.10 Inventories

Inventories are stated at the lower of cost and net realisable value. Raw material, packing material, stores and spares are valued at lower of cost, determined on the first in first out basis (FIFO) or net realisable value. However, raw materials and other items held for use in the production of inventories are not written down below cost, if the finished products in which they will be incorporated are expected to be sold at or above cost.

Finished goods and work in progress are valued at lower of cost, determined on the first in first out basis (FIFO) and net realizable value.

Cost of inventories comprises all cost of purchases, cost of conversion and other costs incurred in bringing the inventory to their present location and condition.

3.11 Provisions, contingent liabilities and contingent assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

Warranties

The estimated liability for product warranties is recorded when products are sold. These estimates are established using historical information on the nature, frequency and average cost of warranty claims and management estimates regarding possible future incidence based on corrective actions on product failures. The timing of outflows will vary as and when warranty claim will arise- being typically two to five years. These assurance-type warranties are accounted for under Ind AS 37 Provisions, Contingent Liabilities and Contingent Assets.

Contingent liabilities

A disclosure for a contingent liability is made where it is more likely than not that a present obligation or possible obligation may result in or involve an outflow of resources. When no present or possible obligation exists and the possibility of an outflow of resources is remote, no disclosure is made.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021**Contingent assets**

A contingent assets are disclosed where an inflow of economic benefit is probable. An entity shall not recognise the contingent assets unless the recovery is virtually certain.

3.12 Financial instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through statement of profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in statement of profit or loss.

3.13 Financial assets

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets

Classification of financial assets

Debt instruments that meet the following conditions are subsequently measured at amortised cost (except for debt instruments that are designated as at fair value through statement of profit or loss on initial recognition):

- the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Debt instruments that meet the following conditions are subsequently measured at fair value through other comprehensive income ("FVTOCI")(except for debt instruments that are designated as at fair value through statement of profit or loss on initial recognition):

- the asset is held within a business model whose objective is achieved both by collecting contractual cash flows and selling financial assets; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Interest income is recognised in statement of profit or loss for FVTOCI debt instruments. All other financial assets are subsequently measured at fair value.

Effective interest method

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

Income is recognised on an effective interest basis for debt instruments other than those financial assets classified as at FVTPL. Interest income is recognised in statement of profit or loss and is included in the "Other income" line item.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021**Financial assets at fair value through statement of profit or loss (FVTPL)**

Investments in equity instruments are classified as at FVTPL, unless the Company irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income for investments in equity instruments which are not held for trading.

Debt instruments that do not meet the amortised cost criteria or FVTOCI criteria are measured at FVTPL. In addition, debt instruments that meet the amortised cost criteria or the FVTOCI criteria but are designated as at FVTPL are measured at FVTPL.

A financial asset that meets the amortised cost criteria or debt instruments that meet the FVTOCI criteria may be designated as at FVTPL upon initial recognition if such designation eliminates or significantly reduces a measurement or recognition inconsistency that would arise from measuring assets or liabilities or recognising the gains and losses on them on different bases.

Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on re-measurement recognised in statement of profit or loss. The net gain or loss recognised in profit or loss incorporates any dividend or interest earned on the financial asset and is included in the 'Other income' line item. Dividend on financial assets at FVTPL is recognised when the company's right to receive the dividends is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably.

Investments in subsidiaries and associates

Investment in subsidiaries and associates are carried at cost in the financial statements.

Impairment of financial assets

The Company applies the expected credit loss model for recognising impairment loss on financial assets measured at amortised cost, debt instruments at FVTOCI, trade receivables, other contractual rights to receive cash or other financial asset, and financial guarantees not designated as at FVTPL.

Expected credit losses are the weighted average of credit losses with the respective risks of default occurring as the weights.

Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on net basis or to realise the assets and settle the liabilities simultaneously.

Derecognition of financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

3.14 Financial liabilities and equity instruments**Classification as debt or equity**

Debt and equity instruments issued by Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021**Financial liabilities**

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method. Interest expense that is not capitalised as part of costs of an asset is included in the 'Finance costs' Line item.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability.

All financial liabilities are subsequently measured at amortised cost using the effective interest method or at FVTPL.

Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired.

3.15 Statement of Cash flow

Cash flows are reported using the indirect method, whereby profit / (loss) after tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments.

3.16 Earnings per share

Basic earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares outstanding during the year/period.

Diluted earnings per share is computed by dividing the profit after tax as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

3.17 Royalty

The Company pays / accrues for royalty in accordance with the relevant licence agreements.

3.18 Research and Development

Research costs are expensed as incurred. Development expenditures on an individual project are recognised as an intangible asset when the Company can demonstrate:

- The technical feasibility of completing the intangible asset so that the asset will be available for use or sale
- Its intention to complete and its ability and intention to use or sell the asset
- How the asset will generate future economic benefits
- The availability of resources to complete the asset
- The ability to measure reliably the expenditure during development

Cost incurred by the Company for Research and Development do not meet the recognition criteria and hence have been classified as research costs and are expensed of in the statement of profit and loss as and when these are incurred.

The amortisation methods, the usual useful lives and the residual values of intangible assets are checked annually.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021**3.19 Rounding of amounts**

All amounts disclosed in the financial statements and the accompanying notes have been rounded off to the nearest lacs as per the requirement of Schedule III of the Companies Act 2013, unless otherwise stated.

3.20 Material Events

Material events occurring after balance sheet date and till the date of signing of financials are taken into cognizance.

3.21 Applicability of New and Revised Ind As

Ministry of Corporate Affairs (“MCA”) notifies new standard or amendments to the existing standards. There is no such notification which would have been applicable from April 1, 2021.

4. Critical accounting judgements and key sources of estimation uncertainty

In the application of the Company accounting policies, which are described in note 3, the management of the Company are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The following are the areas of estimation uncertainty and critical judgements that the management has made in the process of applying the Company’s accounting policies and that have the most significant effect on the amounts recognised in the financial statements:-

Recoverability of intangible asset

Capitalisation of cost in intangible assets under development is based on management’s judgement that technological and economic feasibility is confirmed and asset under development will generate economic benefits in future. Based on evaluations carried out, the Company’s management has determined that there are no factors which indicate that these assets have suffered any impairment loss.

Provision and contingent liability

On an ongoing basis, Company reviews pending cases, claims by third parties and other contingencies. For contingent losses that are considered probable, an estimated loss is recorded as an accrual in financial statements. Loss Contingencies that are considered possible are not provided for but disclosed as Contingent liabilities in the financial statements. Contingencies the likelihood of which is remote are not disclosed in the financial statements. Gain contingencies are not recognized until the contingency has been resolved and amounts are received or receivable.

Useful lives of depreciable assets

Management reviews the useful lives of depreciable assets at each reporting. As at March 31, 2020 management assessed that the useful lives represent the expected utility of the assets to the Company. Further, there is no significant change in the useful lives as compared to previous year.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021
18.2 Nature and purpose of reserves

Securities premium is used to record the premium on issue of shares. The reserve is utilised in accordance with the provisions of the Companies Act, 2013.

General reserve is the retained earnings of a Company which are kept aside out of the Company's profits to meet future (known or unknown) obligations.

Retained Earnings, during the year nil dividend (previous year: Rs. 3.00 per share, total dividend Rs. 115.95 Lakhs) was paid to equity shareholders.

The Board of Directors has not recommended any dividend for the year ended March 31, 2021.

Fair Value through Other Comprehensive Income Reserve, represents the change in the fair value of investments.

Total	5,338.12	7,042.05

33.1 Employee benefit obligations

The Company has in accordance with Accounting Standard-15 "Employee Benefits" calculated the various benefits provided to employees as under:

A. Defined contribution plans:

- i. Provident Fund
- ii. Employee state insurance plan

The provident fund and the employees' state insurance defined contribution plan are operated by the Regional Provident Fund Commissioner and Regional Director of ESIC respectively.

The Company has recognized the following amounts in the Statement of profit and loss for the year:

Particulars	For the year ended March 31, 2021	For the year ended March 31, 2020
i. Contribution to Provident Fund *	61.49	90.61
ii. Contribution to Employee State Insurance Scheme #	4.28	7.75

*Included in Contribution to Provident and other funds under Employee benefit expenses (refer note 33 and 38).

Included in Salaries, wages, bonus and allowances under Employee benefit expenses (refer note 33 and 38).

B. Defined benefits plans

Gratuity

Employees are entitled to gratuity computed as fifteen days salary for every completed year of service or part thereof in excess of six months and is payable on retirement/termination. The benefit vests after five years of continuous service. The Company has taken a Group Gratuity Policy from LIC of India and makes contribution to LIC of India to fund its plan.

C. Other long term employee benefits

Leave Encashment

Leave Encashment is payable to eligible employees who have earned leaves during the employment and/or on separation as per the Company's policy. Liability has been accounted for on the basis of actuarial valuation certificate for the balance of earned leaves at the credit of employees at the end of the year.

The following table sets out the funded status of the defined benefit schemes and the amount recognized in the financial statements:

(i) Fair Value Hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in financial statements. To provide an indication about the reliability of inputs used in determining fair values, the group has classified its financial instruments into three levels prescribed under the accounting standards.

The fair value of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following table provides the fair value measurement hierarchy of Company's asset and liabilities, grouped into Level 1 to Level 2 as described below :-

Level 1: Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2: Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Particulars	Fair Value Measurement using			
	Carrying Value	Quoted price in Active Market (Level 1)	Significant observable inputs (Level 2)	Significant unobservable inputs (Level 3)
As at March 31, 2020				
(A) Financial assets at fair value through other comprehensive income				
Investments				
-Investments in equity instruments	-	-	-	-
Total	-	-	-	-
(B) Financial Assets and Liabilities measured at amortised cost for which fair values are disclosed				
Financial Assets				
Security Deposit (Refer Note 8)	165.60	-	-	165.60
Cash and cash equivalents (Refer Note 13)	4.01	-	-	4.01
Bank Balances (Refer Note 13)	14.96	-	-	14.96
Other financial assets (Refer Note 9)	24.92	-	-	24.92
Total	209.49	-	-	209.49

Other financial liabilities (refer note 20)	114.60	-	-	114.60
Total	11,948.26	-	-	11,948.26

(ii) Valuation techniques used to determine Fair value

The Company maintains policies and procedures to value financial assets or financial liabilities using the best and most relevant data available. The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Specific valuation technique used to value financial instrument includes:

- > the use of quoted market prices or dealer quotes for similar financial instruments.
- > the fair value of financial assets and liabilities at amortised cost is determined using discounted cash flow analysis

The following method and assumptions are used to estimate fair values:

The Carrying amounts of trade receivables, trade payables, capital creditors, cash and cash equivalents, short term deposits etc. are considered to be their fair value, due to their short term nature and Long-term fixed-rate and variable-rate receivables / borrowings are evaluated by the Company based on parameters such as interest rates, specific country risk factors, credit risk and other risk characteristics. For borrowing fair value is determined by using the discounted cash flow (DCF) method using discount rate that reflects the issuer's borrowings rate. Risk of non-performance for the company is considered to be insignificant in valuation.

Financial assets and liabilities measured at fair value and the carrying amount is the fair value.

44 FINANCIAL RISK MANAGEMENT

The Company's principal financial liabilities, other than derivatives, comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to manage finances for the Company's operations. The Company's principal financial assets include investments in marketable securities, loans, trade and other receivables and cash and short-term deposits that arise directly from its operations.

The Company's activities are exposed to Market risk, Credit risk and Liquidity risk.

I. Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk: currency rate risk, interest rate risk and other price risks, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits, investments, and derivative financial instruments.

The sensitivity analyses in the following sections relate to the position as at 31st March 2021 and 31st March 2020.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

Rs. in Lakhs

(a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. In order to optimize the Company's position with regard to interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of the fixed rate and floating rate financial instruments in its total portfolio .

(i) The exposure of group borrowings to interest rate changes at the end of reporting period are as follows:

Particulars	As at March 31, 2021	As at March 31, 2020
Variable rate borrowings (refer note 19 and 24)	11,806.07	12,665.80
Fixed rate borrowings (refer vehicle loan note 19)	27.59	42.35
Total borrowings	11,833.66	12,708.15

(ii) As at the end of reporting period, the company had the following variable rate borrowings outstanding:

Particulars	As at March 31, 2021			As at March 31, 2020		
	Weighted average interest rate (%)	Balance	% of total borrowings	Weighted average interest rate (%)	Balance	% of total borrowings
Term Loans (refer note 19)	11.00%	6,330.09	53.49%	11.00%	7,143.43	56.21%
Working Capital Loan (refer note 24)	9.50%	5,475.98	46.27%	9.50%	5,522.37	43.46%
Net exposure to cash flow interest rate risk	-	11,806.07	99.77%	-	12,665.80	99.68%

(iii) Sensitivity

Profit/loss is sensitive to higher/lower interest expense from borrowings as a result of changes in interest rates.

Particulars	Increase/ Decrease in Basis Points		Impact on Profit before Tax	
	March 31, 2021	March 31, 2020	March 31, 2021	March 31, 2020
Borrowings in INR	+50	+50	57.63	60.47
Borrowing in USD	+25	+25	1.40	2.86
Borrowings in INR	-50	-50	(57.63)	(60.47)
Borrowing in USD	-25	-25	(1.40)	(2.86)

(b) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company has obtained foreign currency loans and has foreign currency trade payables and receivables and is therefore, exposed to foreign exchange risk which are unhedged as per Policy.

The carrying amounts of the Company's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period as follows:

Particulars	Against exposure in			
	USD	JPY	EURO	Total
Foreign currency exposure as at March 31, 2021				
Trade Receivables	440.51	-	-	440.51
Foreign Currency Term Loan	79.40	-	481.49	560.89
Trade payables	349.61	89.20	-	438.81
Hedged Portion	-	-	-	-
Net Exposure to foreign currency risk	11.50	(89.20)	(481.49)	(559.19)

Foreign currency exposure as at March 31, 2020

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

Rs. in Lakhs

Trade Receivables	453.00	-	-	453.00
Foreign Currency Term Loan	494.00	-	648.00	1,142.00
Trade payables	647.00	698.00	-	1,345.00
Hedged Portion	-	-	-	-
Net Exposure to foreign currency risk	(688.00)	(698.00)	(648.00)	(2,034.00)

Foreign currency sensitivity

5% increase or decrease in foreign exchange rates will have the following impact on profit before tax and other comprehensive income:

Particulars	March 31, 2021		March 31, 2020	
	5% increase	5% decrease	5% increase	5% decrease
USD	0.58	(0.58)	(34.40)	34.40
JPY	(4.46)	4.46	(34.90)	34.90
EURO	(24.07)	-	(32.40)	-

The assumed movement in exchange rate sensitivity analysis is based on the currently observable market environment.

II. Credit risk

Credit risk arises from the possibility that the counterparty will default on its contractual obligations resulting in financial loss to the company. To manage this, the Company periodically assesses the financial reliability of customers, taking into account the financial conditions, current economic trends, and analysis of historical bad debts and ageing of accounts receivable.

The Company considers the probability of default upon initial recognition of assets and whether there has been a significant increase in credit risk on an ongoing basis through each reporting period. To assess whether there is significant increase in credit risk, it considers reasonable and supportive forward looking information such as:

- (i) Actual or expected significant adverse changes in business.
- (ii) Actual or expected significant changes in the operating results of the counterparty.
- (iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligation
- (iv) Significant increase in credit risk and other financial instruments of the same counterparty
- (v) Significant changes in the value of collateral supporting the obligation or in the quality of third party guarantees or credit enhancements

The company's major exposure is from trade receivables, which are unsecured and derived from external customers. Credit risk on cash and cash equivalents is limited as we generally invest in deposits with banks and financial institutions with high credit ratings assigned by international and domestic credit rating agencies.

Expected credit loss for trade receivable on simplified approach :

The ageing analysis of the trade receivables (gross of provision) has been considered from the date the invoice falls due:

Ageing	Less than 6 months	6-12 months	1-3 years	More than 3 years	Total
As at March 31, 2021					
Gross Carrying Amount (refer note 12)	5,735.77	218.51	14.77	-	5,969.05
Expected loss Rate (in percentage)					
Expected Credit Loss	-	-	-	-	-
Carrying Amount (net of impairment)	5,735.77	218.51	14.77	-	5,969.05
As at March 31, 2020					
Gross Carrying Amount (refer note 12)	5,227.43	90.62	27.03	-	5,345.08
Expected loss Rate (in percentage)					
Expected Credit Loss	-	-	-	-	-

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

Rs. in Lakhs

Carrying Amount (net of impairment)	5,227.43	90.62	27.03	-	5,345.08
--	----------	-------	-------	---	----------

The Company uses a provision matrix to determine impairment loss on portfolio of its trade receivable. The provision matrix is based on its historically observed default data over the expected life of the trade receivable and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated and changes in forward-looking estimates are analysed. However there is no trade receivable which is require allowance for expected credit loss.

III. Liquidity Risk

Liquidity risk is defined as the risk that company will not be able to settle or meet its obligation on time or at a reasonable price. The Company's objective is to at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risk are overseen by senior management. Management monitors the company's net liquidity position through rolling, forecast on the basis of expected cash flows.

The table below provides details regarding the remaining contractual maturities of financial liabilities at the reporting date based on contractual undiscounted payments:

Particulars	Carrying Amount	Less than 1 year	1 to 3 years	3-5 years	more than 5 years	Total
As at March 31, 2021						
Borrowings (refer note 19, 24 & 26)	11,833.66	7,266.68	4,566.98	-	-	11,833.66
Trade payables (refer note 25)	7,842.28	7,842.28	-	-	-	7,842.28
Other Liabilities (refer note 20 & 26)	4,135.60	4,021.00	114.60	-	-	4,135.60
Total	23,811.54	19,129.96	4,681.58	-	-	23,811.54

Particulars	Carrying Amount	Less than 1 year	1 to 3 years	3-5 years	more than 5 years	Total
As at March 31, 2020						
Borrowings (refer note 19, 24 & 26)	12,708.15	7,880.10	4,828.05	-	-	12,708.15
Trade payables (refer note 25)	10,852.11	10,852.11	-	-	-	10,852.11
Other Liabilities (refer note 20 & 26)	3,850.93	3,747.62	103.31	-	-	3,850.93
Total	27,411.19	22,479.83	4,931.36	-	-	27,411.19

Financing arrangements

The company had access to the following undrawn borrowing facilities at the end of reporting period:

Particulars	As at March 31, 2021	As at March 31, 2020
Expiring within one year (Bank overdraft and other facilities)	224.02	855.10

45 CAPITAL MANAGEMENT

a) The Company monitors capital using gearing ratio, which is net debt divided by total capital plus debt.

Particulars	As at March 31, 2021	As at March 31, 2020
Debt	11,833.66	12,708.15
Less: Cash and cash equivalents (refer note13)	50.18	18.97
Net Debt	11,783.48	12,689.18
Total Equity	7,252.07	7,604.27
Total Equity and Net Debt	19,035.55	20,293.45
Net debt to equity plus debt ratio (Gearing Ratio)	62%	63%

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

Rs. in Lakhs

Notes :

(i) Debt is defined as long-term and short-term borrowings including current maturities (excluding derivatives) as described in notes 19 and 26.

(ii) Total equity (as shown in balance sheet) includes issued capital and all other equity.

(b) Loan Covenants

In order to achieve this overall objective, the company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to call loans and borrowings or charge some penal interest. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current year and the previous years

No changes were made in the objectives, policies or processes for managing capital during the current years and previous years.

(C) Dividends

Particulars	Recognized in the year ending	
	March 31, 2021	March 31, 2020

(i) Dividends Recognized

Dividend for the year ended March 31, 2021Rs. Nil per equity share (previous year Rs.3.00 per equity share)	-	139.80
---	---	--------

(ii) Dividend proposed but not recognised in the books of accounts

In addition to the above dividends, for the year ended March 31, 2021, the directors have recommended the payment of a final dividend of Rs. Nil per equity share (previous year Rs. Nil per equity share).	-	-
--	---	---

46 The Company has considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying amount of property, plant and equipment , Investments , Inventories , receivables and other current assets. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Company, as at the date of approval of these financial results has used internal and external sources on the expected future performance of the company . The Company has performed sensitivity analysis on the assumptions used and based on current estimates expects the carrying amount of these assets will be recovered. The impact of COVID-19 on the Company's financial results may differ from that estimated as at the date of approval of these financial statements.

47 Previous years figures have been re-grouped / re-classified wherever necessary to correspond with the current year's classification / disclosure.
